Hall 1, 10:30 am – 1 pm

## SAVE FOOD HIGHLIGHT ROUTE AT INTERPACK

<b>ABRE</b> Promoting sustainable packaging in Brazil and supporting innovations that reduce food loss and waste Luciana Pellegrino luciana@abre.org.br	<b>EN1/13</b>	
<b>FAWEMA GmbH</b> Minimization of dust loss; dustproof recyclable paper bag; tackling product loss due to incorrect weights Stefan Päsche info@tpg-packaging.co	<b>Hall 6/C31</b>	
<b>Gerhard Schubert GmbH</b> Packaging Competence Center; part of Schubert Mission Blue; packaging knowledge for less food waste Michael Graf m.graf@gerhard-schubert.de	<b>Hall 14/D01</b>	
<b>Herrmann Ultraschalltechnik GmbH &amp; Co. KG</b> Ultrasonic hermetic sealing reducing product waste in production by up to 20 times Michael Baumann michael.baumann@herrmannultraschall.com	<b>Hall 11/D73</b>	
<b>IK Industrievereinigung Kunststoffverpackungen e.V.</b> Transforming food preservation: Innovative packaging solutions enhance quality, protection and shelf life, resulting in reduced food waste Yvonne Kramer y.kramer@kunststoffverpackungen.de	<b>Hall 10/E22</b>	
<b>Mettler-Toledo Garvens GmbH</b> Product inspection solutions from Mettler-Toledo save food by detecting issues early to enable rework and by reducing false rejects Daniela Verhaeg Daniela.Verhaeg@mt.com	<b>Hall 11/A60</b>	
<b>MULTIVAC Sepp Haggenmüller SE &amp; Co. KG</b> Innovative and sustainable processing and packaging concepts for enhanced food value chain solutions Tanja Böck tanja.boeck@multivac.de	<b>Hall 5/A23-A45</b>	
<b>NANOX NNX-TECH</b> Smart packaging additives designed to extend shelf life, minimize spoilage and significantly reduce food waste Roberto Duarte roberto@nanotech.com	<b>Hall 7a/C10</b>	

<b>Sappi Europe S.A.</b> Sustainable flexible packaging: achieving high product protection with functional papers from Sappi – the mono-material is recyclable in the paper waste stream Ingo Kaiser Ingo.kaiser@sappi.com	<b>Hall 8a/B27-B35</b>	
<b>Sealpac GmbH</b> Innovative packaging solutions that reduce food waste while maximizing product safety and shelf life Marcel Veenstra marcel.veenstra@sealpacinternational.com	<b>Hall 5/D19</b>	
<b>Sesotec GmbH</b> Sesotec's advanced foreign body detection solutions: Minimizing food waste while boosting productivity and quality Christoph Hänle Christoph.Haenle@sesotec.com	<b>Hall 11/D40</b>	
<b>Taghleef Industries LLC</b> Reliable supplier of innovative films that extend shelf life, reduce waste, improve packaging efficiency Ambra Stocco ambra.stocco@ti-films.com	<b>Hall 9/A21</b>	
<b>Theegarten-Pactec GmbH &amp; Co. KG</b> Concepts for sustainable packaging to reduce food loss and help secure the food supply for a growing population. Steffen Hamelmann steffen.hamelmann@theegarten-pactec.de	<b>Hall 1/B51</b>	
<b>Ultima Media Germany GmbH</b> Whether you're looking for packaging materials or packaging technology – at neue verpackung we report on how food can be packaged safely and sustainably. Philip Bittermann philip.bittermann@ultimamedia.de	<b>EN 01/15</b>	
<b>WPO – World Packaging Organisation</b> WPO offers resources, awards and training to promote packaging solutions that reduce food loss Nerida Kelton nerida@worldpackaging.org	<b>EN 01/08</b>	

## MEET SOME OF THE THE SAVE FOOD DESIGN SUSTAINABILITY DESIGN AWARD WINNERS 2023 – 2025:

<b>AFHER EUROBELT S.A.</b> SAVE FOOD Design Award 2025 for Quickbelt Q50 Flat Top	<b>Hall 13/D03</b>	
<b>Bizerba SE &amp; Co. KG</b> Sustainability Design Award 2023 for Smarter Slicer	<b>Hall 14/C55</b>	
<b>Cintas Adhesivas UBIS</b> Sustainability Design Award 2024 for BOPP Tape with 50% Recycled Film	<b>Hall 7/A04</b>	
<b>Dookoo Intelligent Equipment Co., Ltd.</b> Sustainability Design Award 2023 for PE Film Packaging Machine VSI 820	<b>Hall 11/B08</b>	
<b>Herrmann Ultraschalltechnik GmbH &amp; Co. KG</b> Sustainability Design Award 2023 for TSM Top Seals Modules	<b>Hall 11/D73</b>	
<b>KOCH Pac-Systeme GmbH</b> Sustainability Design Award 2024, 2025 for cycleForm® & KMO – modular machine solution for sustainable packaging processes	<b>Hall 15/B24</b>	
<b>Koehler Paper SE</b> Sustainability Design Award 2025 for Koehler NexPlus® Advanced	<b>Hall 8a/D42</b>	
<b>MULTIVAC Sepp Haggenmüller SE &amp; Co. KG</b> SAVE FOOD Design Award 2023, 2024, 2025 and Sustainability Design Award 2024 for TVI GMS 400, Top Wrap, Cooling@ Packing System	<b>Hall 5/A23-A45</b>	
<b>Starlinger &amp; Co GmbH</b> Sustainability Design Award 2025 for PET Recycling System recoStar PET art	<b>Hall 11/F20</b>	
<b>United Caps Kulim</b> SAVE FOOD Design Award 2023 and SUSTAINABILITY Design Award 2024 for Mimica Bump Cap & Kindcap	<b>Hall 10/D67</b>
